NONPROFIT FUNDRAISING OPPORTUNITIES AVAILABLE AT “SPLATTER...NOT YOUR ORDINARY FOOD, WINE AND ART FESTIVAL”

DUBLIN, California, August 14, 2013 – The City of Dublin is offering nonprofit organizations two unique fundraising opportunities in conjunction with “**splatter...not your ordinary food, wine and art festival**” on Saturday, September 21, 2013, from Noon to 8:00 p.m. in the beautiful outdoor setting of Emerald Glen Park. Nonprofit organizations may raise funds for their group by participating in the Community Worker Program or by serving as a Carnival Game Operator.

The Community Worker Program requires the organization to provide volunteers to work in different areas of the festival. Based on the numbers of hours that volunteers work, the City will make a contribution to the nonprofit organization.

As a Carnival Game Operator, each organization will staff and provide prizes for a food- or wine-themed carnival game. Each game is provided by the City of Dublin. Following the event, the nonprofit will receive 70% of the gross revenue based on tickets collected for the operated carnival game.

For both fundraising opportunities, nonprofits must provide proof of nonprofit status. There is limited space available and will be awarded on a first-come, first-served basis. Applications for each opportunity can be found at www.dublinsplatter.com.

“splatter” is a program of the City of Dublin’s Parks and Community Services Department. For more information call (925) 556-4500.
